From CMD Desk

Mr. Chandrashekhar S. Nagral
(Chief Managing Director)

"I had started establishment in the year 1983 on a very small scale. The works undertaken were mainly bore driven piling which was the main requirement for construction of bridges in Railways, Roadways, Jetties and also for Multistoried structures. Since this being one of the challenging works, I had started in the right earnest and today our organization is the specialist in this trade.

"Since inception, we have set foot prints across Pan India by serving to the entire satisfaction of our Principle's and End Users."

CSCIPL has completed 90+ projects in the last four decades to the full satisfaction of their clients. The completed projects involve different kind of work like EPC mode for Construction of High-Level Bridges, ROB's, RUB's and Flyovers

Value	Our motto has always been to deliver the Project to the Client with utmost quality and in time, as it gives us immense satisfaction to associate in Country's development.
Vision	Time, Quality, Safety & Sustainability
Mission	To be a catalyst in developing the community.
